

IN THE UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF ARKANSAS

GENERAL ORDER NO. 2017-5

Abrogation of General Order 12

On September 10, 1985, the Court entered General Order 12 adopting a Plan for the Effective Utilization of Court Reporters as approved by the Judicial Council of the Eighth Circuit on August 30, 1985. In order to insure that the plan for the Western District of Arkansas adequately covers all of the elements required by Volume 6, Chapter 2 of the Guide to Judiciary Policies and Procedures, the Court recently replaced the old plan with a new Management Plan for Court Reporters and Recording Services. The new plan was approved by the Eighth Circuit Judicial Council on June 26, 2017. A general order is not necessary for the adoption of the new plan.

Therefore, the Court ABROGATES General Order 12.
